Brandywine Ballet 2025 - 2026 Community Partners

We want to offer your organization the opportunity to become a Community Partner with Brandywine Ballet.

Brandywine Ballet was founded in 1979 by Artistic Director, Donna Muzio. Since then, the company has become an artistic staple in Chester County, providing regional audiences with a superb quality of dance and production. It is a steadfast goal to reach new heights in artistic achievement constantly. We also strive to instill a love of the arts in our community audience as we share ballet's innate ability to speak from the heart.

Brandywine Ballet is a 501 (c) (3) non-profit organization that counts on donations to support its mission of *providing exceptional, professional training and performance opportunities for dancers and attracting and entertaining audiences as the region's premier ballet organization.*

As a 501(c)(3) non-profit organization, our reliance on community partners like you is fundamental to our sustained efforts to be a prominent ballet company capable of providing quality educational experiences for young dancers and audience members. Such support is also critical for purchasing new costumes and sets that allow our performances to be visually beautiful in all ways possible.
